

APPLIED SCIENCE ENGINEERING PROJECT 1
END SEMESTER ASSESSMENT (ESA) & IIC PROJECT COMPETITION
MARCH 2025

IMP INSTRUCTIONS FOR STUDENTS

Dear Students,

- 1) As you all are aware that End Semester Assessment (ESA) for APPLIED SCIENCE ENGINEERING PROJECT 1 (ASEP1) is to be conducted on **1st March 2025** at Department of Engineering Sciences and Humanities at Bibwewadi and Kondhwa Campus from 8 am to 6 pm as informed earlier.
- 2) The Timetable and venue details for the POSTER display and Assessment will be shared tomorrow.
- 3) Refer to the already shared Assessment Rubrics for ASEP Project. Read them carefully and prepare accordingly.
- 4) All students must report and remain present and appear for End Semester Assessment for ASE Project from **8 am onwards on 1st March 2025**.
- 5) As already instructed, all students must have to remain present in DESH department from 8 am to 6 pm without fail... Division wise Attendance will be taken in the morning & evening.
- 6) Along with ASEP1 assessment there will be project exhibition. So, this will be seen by Hon. Director Sir, by VIT faculties, Deans, Heads from other departments. **Also, Alumni, Industry People, Entrepreneurs, People having own Startups, Further some school children, Parents will also visit your place throughout the day.**
- 7) External examiner along with your Guide will visit your place and do ASE Project assessment or will be called at a proper location for the assessment. Your Project guide will instruct you about the same. Once you finish with your assessment you must have to stay at your place near the Poster with your project model to explain your project work to all visitors throughout the day
- 8) Please note that in ASE Project although students are doing project in a group hence the marks / grades are to be given based not only on the group's performance but also individual performance and contribution made for the project. In short, during End Semester Assessment every student will be assessed individually based on his/her performance.
- 9) **Following things must be brought by all the students at the time of final ESA assessment on 1st March 2025**
 - a) ASE Project model
 - b) ASE Project IEEE Paper Soft copy & Hard copy
 - c) ASE Project Presentation
 - d) ASE Project POSTER (Flex printed in hardcopy must be displayed at proper venue)
- 10) For End Semester Assessment of ASEP1 subject a **PPT of Max 12** slides should be prepared by every group highlighting following points...**Introduction of the ASEP1 topic, Objectives, Materials, components, Tools used, Methodology Implemented (Designing, Algorithm, Coding, Simulation Testing etc.), Results and Discussion**.. Emphasis will be on the work done by you and the obtained results. Results must be interpreted and justified properly. Every group member needs to talk about the project work and will be asked questions related on the ASE Project by the Assessors.
- 11) **Further, a Poster based on ASE Project must be prepared and must be displayed throughout the day on 1st March 2025. The Posters are being printed and the appropriate instructions regarding collection of its hardcopy will be communicated tomorrow. Updates regarding this will be shared appropriately with CR /ACR accordingly**
- 12) **The POSTERS are to be displayed on the bench so bring Cello tape / Two Way Tape to stick the same. It is the responsibility of every ASE Project member from a group to ensure their**

Poster display Location is allotted and their ASEP 1 POSTER gets displayed at the respective location properly before 9 am without fail.

13) First Slide of the ASE Project_ESA_PPT must be comprised of the details as shown in the image below-
